Absent: Gary Haak. Also present newly elected future council members Mike Sterud and Mary Klockman. Staff Present: Administrator, Justin Weiland. Attorney, Dean Hammer.

**Waste Water Treatment Facility Plan – Stockwell Engineers:** John Brown with Stockwell Engineers presented their findings related to options associated with making improvements to the existing Waste Water Treatment Facility. The City of Dell Rapids is under a compliance order from the Department of Environment and Natural Resources to make improvements that will lower ammonia level discharge into the Big Sioux River. Stockwell Engineers presented four options for potential improvements that ranged from additional lagoons and aeration, to a SAGR system, to irrigation, to pumping waste water to Sioux Falls to a full mechanical system. Each option ranged in cost estimates. Discussion was held and a Council decision will need to be made on improvements by July of 2015.

John Brown also updated the Council on plans for improvements to Veterans Park.

Motion by Burgraff Second by Andrews to Adjourn. Meeting adjourned at 8:13 p.m.

Justin Weiland, City Administrator
